### **Part 2: Health Form**

I understand that I must provide a properly completed CISV Health Form in order for me to attend the CISV programme named above. I understand that I must fully disclose any information on my physical and emotional/psychological health or developmental conditions as this information is essential to CISV's ability to care for and protect me. Please see the Health Form for further details.

### **Part 3: Travel-Medical Insurance**

I understand that in order to participate in this CISV programme, I will be covered by CISV Travel Insurance, which includes medical coverage. (Information on the insurance is available on [www.cisv.org](http://www.cisv.org)). I accept financial responsibility for necessary medical expenses that are not covered by this insurance.

### **Part 4: Legal Release & Responsibility to Pay for Damage**

(See Note of Explanation at the end of this form)

I understand the nature of the CISV programme noted above (information about our programmes is available on [our website www.cisv.org/programmes](http://www.cisv.org/programmes)) and I consider myself to be capable of taking part in it.

I agree not to make a claim or file a lawsuit against CISV if I am injured while travelling to / from and participating in the above programme, unless there has been gross negligence on the part of CISV.

I agree to pay for any damage or injury caused by me.

I understand that if I arrange to travel before or after the CISV programme, (other than travel to and from the CISV programme) this additional travel is not part of the CISV programme and the travel and all arrangements are entirely my own responsibility.

- I will ensure that parents are always fully aware of any contact or communication I have with their child before or after the CISV programme or event.

I understand that if I engage in behaviour that, in the reasonable belief of CISV, is deemed to be inappropriate, I may be sent home before the end of the programme at CISV's discretion. I will cover the costs of this return trip.

I also understand that if I do not comply with this agreement, I may be permanently prohibited from volunteering or participating with CISV in any capacity.

I have gone through CISV's Positive Behaviour Policy (including the Adult Code of Behaviour) and Child Safeguarding Policy and Procedures. This includes the rules on communicating with and about children which now set clearer rules and limits on the communications between adults in CISV and children both in person and online. I confirm I understand them, will follow them and will report any breach of these rules to someone in a position of trust and responsibility in my CISV Chapter or National Association.

## NOTE OF EXPLANATION

For decades CISV has worked to increase cross-cultural understanding among the children and youth of the world. Thousands of young people have been transformed by personal experience through CISV's multi-cultural educational programmes. Since the first Village in 1951, CISV volunteers have worked to provide healthy and secure opportunities for our participants to learn about the world and themselves. We are proud of our results and work hard to earn the trust of parents who allow their child to participate in CISV.

The health and safety of all CISV participants is of the greatest importance to the world-wide network of volunteers that make the CISV programmes possible. However, in recent years, the cost of property and liability insurance has increased steadily despite our focus on effective risk management.

In order to ensure the continued operation of its programmes, CISV International requires a liability release as a condition of participation. For this reason, in order to participate as a CISV delegate, a parent or legal guardian of all youth participants under the age of 18, must sign a Legal Release & Responsibility to Pay for Damage (contained in section 4 of this form). All participants age 16 or older, including all leaders and staff, must also sign the form. Please note that this form is used globally. Nothing in this form excludes or limits any liability which cannot be excluded by applicable law.

Although CISV will work to maintain liability insurance for the benefit of non-participants, including schools and other institutions that provide facilities for our programmes, we believe that this release, together with our on-going risk management efforts, will limit the impact of rising insurance premiums on our ability to offer CISV programmes in countries around the world.

Our risk management efforts include the CISV International Travel Insurance for all those participating in our international programmes.

### Personal Data Use

As noted in section 5 of this form CISV will keep a record of participants' names and contact details, will use this information for internal administration of participation and to maintain an historical record of participation (for contract, legal obligation and legitimate interests purposes). For example, we will keep a copy of the programme address list that is provided to all participants at the end of the programme, which may also contain participants' birthdates. CISV may retain a copy of this form, but will only retain a copy of the Health Form after the programme in exceptional circumstances such as an incident, complaint or claim. Where participants have given consent, CISV International or its affiliate the Alumni Association may also contact them in the future with information about the organization. You have a right to object to processing of personal data for legitimate interests or research purposes, and to withdraw any consent given. To exercise these rights, please contact us. Please visit our website at [www.cisv.org](http://www.cisv.org) to see the full Privacy Policy and contact details.

If you have any questions about this form, please discuss them with a CISV representative before signing. You can find information with regard to CISV's rules and Child Safeguarding Policy on our website. It is recommended that you and your child review CISV's Positive Behaviour Policy on [www.cisv.org](http://www.cisv.org)
