Village**

Paris 2017

1 CISV song

Here in this village you may see
Children living happily
Different race and different land
Here we come to understand
One another's point of view
Learning through the things we do
How alike am I to you

Here we live and eat and sleep
Talk and laugh and sometimes weep
Here we share our hopes and fears
Build a bridge across the years
Sow a seed and plant a tree
Beneath whose branches there may be
All the nations gathered free
That our children so may grow

In a world we did not know
Sharing all they have to give
Learning how to love and live
In our hands the future lies
Seize the moment there it flies
Stamp the present with an act
Dare to make our dream a fact

The first version in 1951 went like this:
Here in this village you may see
children living happily.
French, Norwegian, Swede and Dane,
British, German, American,
Mexican and Austrian too,¹
learning through the things we do,
how alike am I to you.

2 All my loving

The Beatles

Close your eyes and I'll kiss you
tomorrow I'll miss you,
remember I'll always be true.
And then while I'm away I'll write home
every day,
and I'll send all my loving to you.
I'll pretend that I'm kissing
the lips I am missing
and hope that my dreams will come true.
And then while I'm away I'll write home
every day,

and I'll send all my loving to you.

Chorus:

All my loving - I will send to you
all my loving, darling, I'll be true./
Close your eyes and I'll kiss you,
tomorrow I'll miss you,
remember I'll always be true
And then while I'm away I'll write home
every day,
and I'll send all my loving to you.

· *Repeat the chorus* ·

¹These nations took part in the first camp in 1951.

3 Blowing in the wind

Bob Dylan

How many roads must a man walk down
before you call him a man?
How many seas must a white dove sail
before she sleeps in the sand?
How many times must the cannonballs
fly before they are forever banned?

Chorus:

The answer, my friend, is blowing in the
wind,
The answer is blowing in the wind./
How many years can a mountain exist
before it is washed to the sea?
How many years can some people exist

before they're allowed to be free?
How many times can a man turn his
head, and pretend that he just doesn't
see?

· *Repeat the chorus* ·

How many times must a man look up
before he can see the sky?
How many ears must one man have
before he can hear people cry?
How many deaths will it take 'till he
knows that too many people have died?

· *Repeat the chorus* ·

4 Father and son

Cat Stevens

Father

It's not time to make a change, just relax,
take it easy
you're still young, that's your fault,
there's so much you have to know
Find a girl, settle down, if you want, you
can marry
Look at me, I am old, but I'm happy
I was once like you are now, and I know
that's it's not easy
to be calm when you've found something
going on
But take your time, think a lot, think of
everything you've got
for you will still be here tomorrow, but
your dreams may not

Son

How can I try to explain, when I do he
turns away again
It's always been the same, same old story.

From the moment I could talk, I was
ordered to listen
now there's a way and I know that I have
to go away. I know I have to go

· *Instrumental interlude* ·

Father

It's not time to make a change, just relax,
take it slowly
you're still young, that's your fault,
there's so much you have to go through
Find a girl, settle down, if you want, you
can marry
Look at me, I am old, but I'm happy

Son

All the times that I've tried keeping all
the things I knew inside
It's hard but it's harder to ignore it
If they were right, I'd agree, but it's them
they know not me
now there's a way and I know that I have
to go away. I know I have to go

5 Bomfiara

Bomfiara, bomfiara, bomfiara, ah-ah

6 Good riddance

Green day

· *Instrumental interlude* ·

Another turning point a fork stuck in the road,
Time grabs you by the wrist, directs you where to go
So make the best of this test and don't ask why
It's not a question but a lesson learned in time

Chorus:

It's something unpredictable but in the end that's right
I hope you had the time of your life./

· *Instrumental interlude* ·

So take the photographs and still frames in your mind
Hang it on a shelf and in good health and good time
Tattoos and memories and dead skin on trial
For what it's worth it was worth all the while

7 Hallelujah

Leonard Cohen

I heard there was a secret chord
that David played and it pleased the Lord
But you don't really care for music do ya
It goes like this the fourth the fifth

the minor fall, the major lift
The baffled king composing hallelujah

Chorus:

Hallelujah, Hallelujah,
Hallelujah, Hallelujah/

Your faith was strong but you needed

<p>You saw her bathing on the roof Her beauty and the moonlight overthrew She tied you to a kitchen chair She broke your throne, and she cut your And from your lips she drew the Hallelujah</p> <p style="text-align: center;"><i>· Repeat the chorus ·</i></p> <p>Maybe I've been here before I know this room I've walked this floor I used to live alone before I knew you I've seen your flag on the marble arch But Love is not a victory march It's a cold and it's a broken hallelujah</p> <p style="text-align: center;"><i>· Repeat the chorus ·</i></p> <p>There was a time you let me know What's real and going on below But now you never show it to me do you? I remember when I moved in you The holy dark was moving too And every breath we drew was hallelujah</p> <p style="text-align: center;"><i>· Repeat the chorus ·</i></p> <p>Maybe there's a God above But all I ever learned from love</p>	<p>proof Was how to shoot at someone who outdrew you Its not the cry that you hear at night It's not someone who's seen the light It's a cold and it's a broken hallelujah</p> <p style="text-align: center;"><i>· Repeat the chorus ·</i></p> <p>You say I took the name in vain But I don't even know the name But if I did, well really, what's it to ya? There's a blaze of light in every word It doesn't matter which you heard The holy or the broken Hallelujah</p> <p style="text-align: center;"><i>· Repeat the chorus ·</i></p> <p>I did my best, it wasn't much I couldn't feel, so I tried to touch I've told the truth, I didn't come to fool And even though it all went wrong I'll stand before the Lord of Song With nothing on my tongue but Hallelujah</p> <p style="text-align: center;"><i>· Repeat the chorus ·</i></p> <p style="text-align: center;"><i>· Repeat the chorus ·</i></p>

8 Heal the world

Michael Jackson

There's a place in your heart
And I know that it is love
And this place could be much
Brighter than tomorrow
And if you really try
You'll find there's no need to cry
In this place you'll feel
There's no hurt or sorrow
There are ways to get there

If you care enough for the living
Make a little space
Make a better place

Chorus:

Heal the world
Make it a better place
For you and for me
And the entire human race
There are people dying
If you care enough for the living
Make a better place for you and for me/

· Instrumental interlude ·

If you want to know why
There's a love that cannot lie
Love is strong it only cares for joyful
giving

If we try we shall see
In this bliss we cannot feel
Fear or dread we stop existing
And start living

Then it feels that always
Love's enough for us growing
So make a better world
Make a better world

· Repeat the chorus ·

And the dream we were conceived in
Will reveal a joyful face
And the world we once believed in
Will shine again in grace
Then why do we keep strangling life
Wound this earth crucify this soul

Though it's plain to see
This world is heavenly
Be God's glow

We could fly so high
Let our spirits never die
In my heart I feel you are all my brothers
Create a world with no fear
Together we cry happy tears
See the nations turn their swords
Into plowshares

Then it feels that always
Love's enough for us growing
So make a better world
Make a better world

· Repeat the chorus ·

· Repeat the chorus ·

You and for me
You and for me...

9 Here comes the sun

The Beatles

Chorus:

Here comes the sun,
Here comes the sun, and I say
It's all right/
Little darling, it's been a long, cold,
lonely winter
Little darling, it seems like years since
it's been here

· Repeat the chorus ·

Little darling, the smiles returning to the
faces

Little darling, it seems like years since
it's been here

· Repeat the chorus ·

Sun, Sun, Sun, Here it comes (4×)

Little darling, I feel that ice is slowly
melting
Little darling, it seems like years since
it's been clear

· Repeat the chorus ·

10 Hey Jude

The Beatles

Chorus:

Hey, Jude, don't make it bad,
Take a sad song and make it better.
Remember to let her into your heart,
Then you can start to make it better./

Hey, Jude, don't be afraid,
You were made to go out and get her.
The minute you let her under your skin,
Then you begin to make it better.

And anytime you feel the pain, hey,
Jude, refrain,

Don't carry the world upon your
shoulders.

For now you know that it's a fool who
plays it cool

By making his world a little colder.

Da da da da da da da da da.

Hey, Jude, don't let me down,
You have found her, now go and get her.
Remember to let her into your heart,
Then you can start to make it better.

So let it out and let it in, hey Jude,
begin

Your waiting for someone to perform
with

And don't you know that its just you,
hey Jude, you'll do

The movement you need is on your
shoulder.

Da da da da da da da da da.

· Repeat the chorus ·

Better, better, better, better, better, oh.

Da da da da-da-da-da, da-da-da-da, hey

Jude (8×)

11 Hey there Delilah

Plain White T's

· Instrumental interlude ·

Hey there Delilah,
What's it like in New York City?
I'm a thousand miles away,
But girl, tonight you look so pretty,
Yes you do,

Time Square can't shine as bright as you,
I swear it's true.

Hey there Delilah,
Don't you worry about the distance,

I'm right there if you get lonely,
Give this song another listen,
Close your eyes,
Listen to my voice it's my disguise,
I'm by your side.

Chorus:

Oh it's what you do to me,
Oh it's what you do to me,
Oh it's what you do to me,
Oh it's what you do to me./

What you do to me,
What you do to me.

Hey there Delilah,
I know times are getting hard,
But just believe me girl some day,
I'll pay the bills with this guitar,
We'll have it good,
We'll have the life we knew we would,
My word is good.

Hey there Delilah,
I've got so much left to say,
If every simple song I wrote to you,
Would take your breath away,
I'd write it all,

Even more in love with me you'd fall,
We'd have it all.

· Repeat the chorus ·

A thousand miles seems pretty far,
But they've got planes and trains and cars,
I'd walk to you if I had no other way
Our friends would all make fun of us,
And we'll just laugh along because,
We know that none of them have felt this way,

Delilah I can promise you,
That by the time that we get through,
The world will never ever be the same,
And you're to blame.

Hey there Delilah you be good,
And don't you miss me,
Two more years and you'll be done with school,

And I'll be making history,
Like I do,
You'll know it's all because of you,
We can do whatever we want to,
Hey there Delilah here's to you,
This one's for you.

· Repeat the chorus ·

Ohhhh

13 Hotel California

The Eagles (Felder, Henley & Frey)

On a dark desert highway, cool wind in
my hair
Warm smell of colitas, rising through the
air
Up ahead in the distance, I saw a
shimmering light
My head grew heavy and my sight grew
dim, I had to stop for the night
There she stood in the doorway, I heard
the mission bell
And I was thinking to myself: this could
be heaven or this could be hell
Then she lit up a candle and she showed
me the way
There were voices down the corridor; I
thought I heard them say:

Chorus:

“Welcome to the Hotel California
Such a lovely place (such a lovely place),
such a lovely face
Plenty of room at the Hotel California
Any time of year (any time of year), you
can find it here”/
Her mind is Tiffany twisted, she got the
Mercedes Benz
She got a lot of pretty, pretty boys, that
she calls friends
How they dance in the courtyard, sweet
summer sweat
Some dance to remember, some dance to
forget

So I called up the captain, “Please bring
me my wine”, He said
“We haven’t had that spirit here since
nineteen sixty-nine”
And still those voices are calling from far
away
Wake you up in the middle of the night,
just to hear them say:
“Welcome to the Hotel California
Such a lovely place (such a lovely place),
such a lovely face
They livin’ it up at the Hotel California
What a nice surprise (what a nice
surprise), bring your alibis”
Mirrors on the ceiling, the pink
champagne on ice, and she said
“We are all just prisoners here, of our
own device”
And in the master’s chambers, they
gathered for the feast
They stab it with their steely knives but
they just can’t kill the beast
Last thing I remember, I was running for
the door
I had to find the passage back to the
place I was before
“Relax,” said the night man, “We are
programmed to receive
You can check out any time you like, but
you can never leave”

· *Repeat the chorus* ·

14 I don't want to miss a thing

Aerosmith

I could stay awake just to hear you
breathing
Watch you smile while you are sleeping
While you're far away dreaming
I could spend my life in this sweet
surrender
I could stay lost in this moment forever
Every moment spent with you is a
moment I treasure

Chorus:

I don't want to close my eyes
I don't want to fall asleep 'cause I'd miss
you baby
and I don't want to miss a thing
'cause even when I dream of you
the sweetest dream will never do I'd still
miss you baby
and I don't want to miss a thing/

Lyin close to you feeling your heart
beating
and I'm wonderin what you're dreaming
wonderin if it's me you're seein
Then I kiss your eyes and thank God
we're together
I just want to stay with you in this
moment forever
forever and ever

· Repeat the chorus ·

I don't want to miss one smile
I don't want to miss one kiss
I just want to be with you right here with
you just like this
I just want to hold you close
feel your heart so close to mine
and just stay here in this moment for all
the rest of time
yeah, yeah, yeah...

· Repeat the chorus ·

15 I'm yours

Jason Mraz

Well you done done me and you bet I felt
it,
I tried to be chill but you're so hot that I
melted,
I fell right through the cracks,
And now I'm tryin to get back...
Before the cool done run out, I'll be givin
it my bestest
and Nothin's gonna stop me but divine
intervention
I reckon it's again my turn,
To Win some or learn some....

Chorus:

But I won't hesitate
No more, no more
It cannot wait; I'm yours/
Well, open up your mind and see like
me,
Open up your plans and damn you're
free.
Look into your heart and you'll find love,
love, love, love.
Listen to the music of the moment,
people dance and sing,
we're just one big family
And it's our god-forsaken right to be
loved, loved, loved, loved, loved.

Chorus:

So I won't hesitate
No more, no more
It cannot wait,
I'm sure/

There's no need to complicate
Our time is short
This is our fate,
I'm yours

Doo do do doo doo do, doo do doo do
doo do

Do you want to come on, scooch on over
closer, dear

And I will nibble your ear
· *Instrumental interlude* ·

I've been spending way too long
checking my tongue in the mirror
And bending over backwards just to try
to see it clearer

But my breath fogged up the glass
And so I drew a new face and I laughed.
I guess what I'll be saying is there ain't
no better reason

To rid yourself of vanities and just go
with the seasons.

It's what we aim to do.
Our name is our virtue.

Chorus:

But I won't hesitate
No more, No more
It cannot wait; I'm yours/

Well, open up your mind and see like
me,

Open up your plans and damn you're
free.

Look into your heart and you'll find that
the sky is yours.

So please don't, please don't, please
don't...

There's no need to complicate.
'Cause our time is short.
This oh, this oh, this is our fate.
I'm yours

16 Imagine

The Beatles

Imagine there's no heaven
It's easy if you try
No hell below us
Above us only sky
Imagine all the people
Living for today AH

Imagine there's no countries
It isn't hard to do
Nothing to kill or die for
And no religion too
Imagine all the people
Living life in peace

You may say I'm a dreamer

But I'm not the only one
I hope some day you'll join us
and the world will be as one

Imagine no possessions
I wonder if you can
No need for greed or hunger
A brother hood of man
Imagine all the people
Sharing all the World

You may say I'm a dreamer
But I'm not the only one
I hope some day you'll join us
and the world will live as one

17 Let it be

The Beatles

When I find myself in times of trouble,
Mother Mary comes to me,
Speaking words of wisdom, let it be.
And in my hour of darkness,
She is standing right in front of me,
Speaking words of wisdom, let it be.

Chorus:

Let it be, let it be, let it be, let it be.
Whisper words of wisdom, let it be./

And when the broken hearted people
Living in the world agree,
There will be no answer, let it be.
For though they may be parted,
There is still a chance that they will see,
There will be an answer, let it be.

Let it be, let it be, let it be, let it be.
Yeah, there will be an answer, let it be.

· *Repeat the chorus* ·

· *Repeat the chorus* ·

And when the night is cloudy,
There is still a light that shines on me,
Shine until tomorrow, let it be.

Let it be, let it be, let it be, let it be.
Oh, there will be an answer, let it be.

John Denver

All my bags are packed, I'm ready to go

Already I'm so lonesome I could die.

Chorus:

So kiss me and smile for me.

oh, babe I hate to go./

There's so many times I've let you down;
So many times I've played around,

Eric Clapton

· *Instrumental interlude* ·

Chorus:

Would you know my name
if I saw you in Heaven
Would it be the same
if I saw you in Heaven
I must be strong
and carry on
'Cause I know I don't belong
here in heaven/

Would you hold my hand
if I saw you in Heaven
Would you help me stand
if I saw you in Heaven

I'll find my way
through night and day
'Cause I know I just can't stay
here in heaven

Time can bring you down,
time can bend your knees
Time can break your heart
have you beggin please
beggin please
Beyond the door
there's peace for sure
And I know there'll be no more
tears in heaven

· *Repeat the chorus* ·

23 We are young

Fun

Give me a second I
I need to get my story straight
My friends are in the bathroom
getting higher than the empire state
my lover she's waiting for me
just across the bar
My seat's been taken by some sunglasses
asking 'bout a scar
and I know I gave it to you months ago
I know you're trying to forget
but between the drinks and subtle things
the holes in my apologies
you know I'm trying hard to take it back
so if by the time the bar closes
and you feel like falling down
I'll carry you home

Chorus:

Tonight
We are young
So let's set the world on fire
We can burn brighter
than the sun/

· Repeat the chorus ·

Now I know that I'm not
all that you got
I guess that I

I just thought
maybe we could find a ways to fall apart
But are friends in back
So let's raise a cup
'Cause I found someone to carry me
home

· Repeat the chorus ·

· Repeat the chorus ·

Carry me home tonight
Just carry me home tonight
Carry me home tonight
Just carry me home tonight

The world is on my side
I have no reason to run
So will someone come and carry me
home

The angels never arrived,
But I can hear the choir
so will someone come and carry me
home...

· Repeat the chorus ·

· Repeat the chorus ·

So if by the time the bar closes
and you feel like falling down
I'll carry you home

24 What a wonderful world

Louis Armstrong

I see trees of green,
red roses too
I see them bloom
for me and you
And I think to myself

what a wonderful world

I see skies of blue and clouds of white
The bright blessed day,
the dark sacred night
And I think to myself
what a wonderful world

The colours of the rainbow,
so pretty in the sky

Are also on the faces
of people goin' by
I see friends shakin' hands,
sayin' "How do you do!"
They're really sayin'
I love you
I hear babies cry,
I watch them grow

They'll learn so much more
than I'll ever know
And I think to myself
what a wonderful world
Yes I think to myself
what a wonderful world.

25 Wonderwall

Oasis

· Instrumental interlude ·

Today is gonna be the day
That they're gonna throw it back to you,
By now you should of somehow
Realised what you gotta do.
I don't believe that anybody feels the way
I do

About you now.

Back beat, the word is on the street
That the fire in your heart is out,
I'm sure you've heard it all before,
But you never really had a doubt.
I don't believe that anybody feels the way
I do

About you now.

And all the roads we have to walk are
winding,
And all the lights that lead us there are
blinding,
There are many things that I would like
to say to you

But I don't know how.

Chorus:

Because maybe,
You're gonna be the one that saves me,
And after all,
You're my wonderwall./

Today was gonna be the day,
But they'll never throw it back at you,
By now you should have somehow
Realised what you've gotta do.
I don't believe that anybody feels the way
I do

About you now.

And all the roads we have to walk are
winding,
And all the lights that lead us there are
blinding,
There are many things that I would like
to say to you
But I don't know how.

26 Yellow submarine

The Beatles

In the town where I was born
Lived a man who sailed the sea.
And he told us of his life
In the land of submarines.

So we sailed up to the sun
Till we found the sea of green,
And we lived beneath the waves
In our yellow submarine.

Chorus:

We all live in a yellow submarine,
Yellow submarine, yellow submarine.

We all live in a yellow submarine,
Yellow submarine, yellow submarine./

And our friends are all on board,
Many more of them live next door,
And the band begins to play:

· *Repeat the chorus* ·

As we live a life of ease,
Every one of us has all we need.
Sky of blue and sea of green
In our yellow submarine.

· *Repeat the chorus* ·

27 Yesterday

Paul McCartney

Yesterday, all my troubles seemed so far
away,
Now it looks as though they're here to
stay,

Oh, I believe in yesterday.

Suddenly, I'm not half the man I used to
be,

There's a shadow hanging over me,
Oh, yesterday came suddenly.

Chorus:

Why she had to go,
I don't know, she wouldn't say.

I said something wrong,
Now I long for yesterday./

Yesterday, love was such an easy game to
play,

Now I need a place to hide away,
Oh, I believe in yesterday.

· *Repeat the chorus* ·

Yesterday, love was such an easy game to
play,

Now I need a place to hide away,
Oh, I believe in yesterday.

Mmm, mm, mm, mm, mm mm.

28 You've got a friend

Carol King

When you're down and troubled
and you need some lovin' care
And nothing, nothing is going right
Close your eyes and think of me

and soon I will be there
To brighten up even your darkest nights

Chorus:

You just call out my name,
and you know, wherever I am,
I come running to see you again

Winter spring summer or fall
all you got to do is call
And I'll be there, yes I will
You've got a friend/

If the sky above you
grows dark and full of clouds,
and that old north wind
begins to blow
Keep your head together,
and call my name out loud
Soon you'll hear me

knocking at your door

· *Repeat the chorus* ·

Now ain't it good to know
that you've got a friend
When people can be so cold
The'll hurt you, yes and desert you
and take your soul if you let them
But don't you let them

· *Repeat the chorus* ·

29 A whole new world

Allen Menken & Tim Rice

· *Instrumental interlude* ·

I can show you the world
Shining, shimmering, splendid
Tell me, princess, now when did
You last let your heart decide?

I can open your eyes
Take you wonder by wonder
Over, sideways and under
On a magic carpet ride

Chorus:

A whole new world
A new fantastic point of view
No one to tell us no
Or where to go
Or say we're only dreaming

A whole new world
A dazzling place I never knew
But when I'm way up here
It's crystal clear
That now I'm in a whole new world with
you
Now I'm in a whole new world with you

Unbelievable sights
Indescribable feeling
Soaring, tumbling, freewheeling
Through an endless diamond sky

Chorus:

A whole new world (Don't you dare close
your eyes)
A hundred thousand things to see (Hold
your breath - it gets better)

I'm like a shooting star
I've come so far
I can't go back to where I used to be

A whole new world (Every turn a
surprise)
With new horizons to pursue (Every
moment red-letter)

I'll chase them anywhere
There's time to spare
Let me share this whole new world with
you

A whole new world
That's where we'll be
A thrilling chase
A wondrous place
For you and me

30 My sunshine

Johnny Cash

You are my sunshine,
my only sunshine.
You make me happy,

when skies are grey.
You'll never know dear,
how much I love you.
So please don't take
my sunshine away.

31 Let it go

Kristen Anderson-Lopez & Robert Lopez

· *Instrumental interlude* ·

The snow glows white on the mountain
tonight

Not a footprint to be seen
A kingdom of isolation
And it looks like I'm the queen
The wind is howling like this swirling
storm inside
Couldn't keep it in; Heaven knows I've
tried

Don't let them in, don't let them see
Be the good girl you always have to be
Conceal, don't feel, don't let them know
Well now they know

Chorus:

Let it go, let it go
Can't hold it back anymore
Let it go, let it go

Turn away and slam the door
I don't care what they're going to say
Let the storm rage on, the cold never
bothered me anyway/

It's funny how some distance
Makes everything seem small
And the fears that once controlled me
Can't get to me at all

It's time to see what I can do
To test the limits and break through
No right, no wrong, no rules for me, I'm
free

· *Repeat the chorus* ·

My power flurries through the air into
the ground
My soul is spiraling in frozen fractals all
around
And one thought crystalizes like an icy
blast I'm never going back
The past is in the past

· *Repeat the chorus* ·

32 I believe I can fly

R. Kelly

I used to think that I could not, go on,
and life was nothing but an awful song.
But now I know the meaning of, true
love.

I'm leaning on the everlasting arms.

If I can see it,
then I can do it.
If I just believe it,
there's nothing to it.

Chorus:

I believe I can fly.
I believe I can touch the sky.
I think about it every night and day.
Spread my wings and fly away.
I believe I can soar.
I see me running through that open door.
I believe I can fly.
I believe I can fly.
I believe I can fly./

See I was on the verge of breakin' down.
Sometimes silence can seem so loud.
There are miracles in life I must achieve,
But first I know it starts inside of me oh.

If I can see it,

then I can do it.
If I just believe it,
there's nothing to it.

· Repeat the chorus ·

I... fly. I... fly. I... fly.
Hey, cause I believe in you. Oh.

If I can see it,
then I can do it.
If I just believe it,
there's nothing to it.

· Repeat the chorus ·

33 Don't stop believing

Journey

Just a small town girl, living in a lonely
world
She took the midnight train going
anywhere
Just a city boy, born and raised in south
Detroit
He took the midnight train going
anywhere

A singer in a smoky room, a smell of
wine and cheap perfume
For a smile they can share the night, it
goes on and on and on and on

Chorus:

Strangers waiting up and down the
boulevard
Their shadows searching in the night
Streetlight, people, living just to find
emotion

Hiding, somewhere in the night/

Working hard to get my fill, everybody
wants a thrill
Paying anything to roll the dice, just one
more time
Some will win, some will lose, some were
born to sing the blues
Oh, the movie never ends; it goes on and
on and on and on

· Repeat the chorus ·

Don't stop believing hold on to the
feeling
Streetlight people
Don't stop believing hold on to the
feeling
Streetlight people
Don't stop believing hold on to the
feeling
Streetlight people

34 Take me home, country roads

John Denver

Almost Heaven, West Virginia, Blue
Ridge Mountains, Shenandoah River.
Life is old here, older than the trees,
younger than the mountains, blowin
like a breeze.

Chorus:

Country Roads, take me home, to a place
I belong
West Virginia, mountain mama, take me
home, country roads./

All my memories gather round her,

miner's lady, stranger to blue water.
Dark and dusty, painted on the sky, misty
taste of moonshine, teardrop in my eye

· Repeat the chorus ·

I hear her voice in the morning hour she
calls me
the radio reminds me of my home far
away.

And driving down the road I get a feeling
that I should have been home
yesterday, yesterday.

· Repeat the chorus ·

36 Someone like you

Adele

· Instrumental interlude ·

I heard that you're settled down
That you found a girl
And you're married now

I heard that your dreams came true
Guess she gave you things
I didn't give to you

Old friend why are you so shy
It ain't like you to hold back
Or hide from the light

I hate to turn up out of the blue
uninvited
But I couldn't stay away, I couldn't fight
it
I had hoped you'd see my face
And that you'd be reminded that for me
it isn't over

Chorus:

Never mind, I'll find someone like you
I wish nothing but the best for you too
Don't forget me I beg, I remember you
said
Sometimes it lasts in love but sometimes
it hurts instead
Sometimes it lasts in love but sometimes
it hurts instead, yeah/

You know how the time flies
Only yesterday
was the time of our lives

We were born and raised
In a summer haze
Bound by the surprise of our glory days

I hate to turn up out of the blue
uninvited
But I couldn't stay away, I couldn't fight
it
I had hoped you'd see my face
And that you'd be reminded that for me
it isn't over

· Repeat the chorus ·

Nothing compares no worries or cares
Regrets and mistakes they're memories
Who would have known how
Bittersweet this would taste

· Repeat the chorus ·

Never mind, I'll find someone like you

I wish nothing but the best for you too
Don't forget me I beg, I remember you
Sometimes it lasts in love but sometimes
Sometimes it lasts in love but sometimes

Yeah Yeah

37 Pricetag

Jessie J

· Instrumental interlude ·

Seems like everybody's got a price.
I wonder how they sleep at night
When the sale comes first and the truth
comes second just stop for a minute
and smile
Why is everybody so serious?
Acting so damn mysterious Got your
shades on your eyes
And your heels so high That you can't
even have a good time

Everybody look to their left (Yeah)
Everybody look to their right
Can you feel that? (yeah)
We'll pay them with love tonight

Chorus:

It's not about the money, money, money
We dont need your money, money,

We just wanna make the world dance
Forget about the Price Tag
Ain't about the (uh) Cha-Ching
Cha-Ching
Ain't about the (yeah) Ba-Bling Ba-Bling
Wanna make the world dance
Forget about the Price Tag/

We need to take it back in time
When music made us all unite
And it wasn't low blows and video hoes
Am I the only one gettin tired?
Why is everybody so obsessed?
Money can't buy us happiness
Can we all slow down, enjoy right now
Guarantee we'll be feelin alright

Everybody look to their left (Yeah)
Everybody look to their right
Can you feel that? (yeah)
We'll pay them with love tonight

38 Don't know why

Norah Jones

I waited til I saw the sun. I don't know
why I didn't come
I left you by the house of fun. I don't
know why I didn't come.
I don't know why I didn't come.

When I saw the break of day. I wished
that I could fly away
'stead of kneeling in the sand cathing
teardrops in my hand.

Chorus:

My heart is drenched in wine,
But you'll be on my mind forever./

Out across the endless sea, I would die in
ecstasy.
But I'll be a bag of bones driving down
the road alone.

· Repeat the chorus ·

Something has to make you run. I don't
know why I didn't come
I feel as empty as a drum

I don't know why I didn't come,
I don't know why I didn't come,
I don't know why I didn't come,

39 Somewhere over the rainbow

Judy Garland

Somewhere over the rainbow, way up
high
There's a land that I heard of once in a
lullaby
Somewhere over the rainbow skies are
blue
and the dreams that you dare to dream
really do come true

Someday I'll wish upon a star
and wake up where the clouds are far
behind me
where troubles melt like lemon drops
away above the chimney tops
thats where you'll find me

Somewhere over the rainbow skies are

blue
and the dreams that you dare to dream
really do come true

Someday I'll wish upon a star
and wake up where the clouds are far
behind me
Where troubles melt like lemon drops
away above the chimney tops
thats where you'll find me

Somewhere over the rainbow, Bluebirds
fly
Birds fly over the rainbow. Why, then oh
why can't I?

If happy little bluebirds fly beyond the
rainbow
why oh why can't I?

40 Somewhere only we know

Keane

I walked across an empty land
I knew the pathway like the back of my
hand

I felt the earth beneath my feet
sat by the river and it made me complete

Oh simple thing where have you gone
I'm getting old and I need something to
rely on

so tell me when youre gonna let me in
im getting tired and I need somewhere to
begin

I came across a fallen tree
I felt the branches of it looking at me
is this the place we used to love?
is this the place that ive been dreaming
of?

Oh simple thing where have you gone
I'm getting old and I need something to
rely on
so tell me when you're gonna let me in
I'm getting tired and I need somewhere
to begin

Chorus:

so if you have a minute why dont we go
talk about it somewhere only we know
this could be the end of everything
so why dont we go
somewhere only we know?
somewhere only we know

oh simple thing where have you gone?
I'm getting old and I need something to
rely on

41 Relax, take it easy

Mika

· *Instrumental interlude* ·

Took a right to the end of the line
Where no one ever goes.
Ended up on a broken train with nobody
I know.

But the pain and the longings the same.
Where the dying
Now I'm lost and I'm screaming for help.

Chorus:

Relax, take it easy
For there is nothing that we can do.
Relax, take it easy
Blame it on me or blame it on you./

· *Instrumental interlude* ·

I believe that we're in this together.
Don't scream – there are so many roads
left.

It's as if I'm scared.
It's as if I'm terrified.
It's as if I scared.
It's as if I'm playing with fire.

· *Repeat the chorus* ·

It's as if I'm playing with fire.

Relax, There is an answer to the darkest
times.
It's clear we don't understand but the last
thing on my mind
Is to leave you.

Scared.
It's as if I'm terrified.
Are you scared?
Are we playing with fire?

43 Redemption song

Bob Marley

Old Pirates, yes, they rob I.
Sold I to the merchant ships
minutes after they took I from the
bottomless pit.
But my hand was made strong
By the hand of the Almighty.
We forward in this generation

triumphantly.

Chorus:

Won't you help to sing these songs of
freedom?
'Cause all I ever had, redemption songs,
redemption songs./
Emancipate yourselves from mental
slavery,
None but ourselves can free our minds.

Have no fear for atomic energy,
'Cause none of them can stop the time.
How long shall they kill our prophets
While we stand aside and look?
Yes, some say it's just a part of it.
We've got to fulfill the book.

· Repeat the chorus ·

Emancipate yourselves from mental

44 Vem vet

Lisa Ekdahl

· Instrumental interlude ·

Du är en saga för god för att vara sann
Det är en saga i sig att vi funnit varann
Vi kunde lika gärna, aldrig nånsin mötts
Eller var vårt möte redan bestämt långt
innan vi fötts

Du är en saga för god för att vara sann
Det är en saga i sig att vi funnit varann
Vi kunde lika gärna, aldrig nånsin mötts
Eller var vårt möte redan bestämt långt
innan vi fötts

Vem vet, inte jag
Vi vet ingenting nu
Vi vet inget idag/

45 Hear me out

Irma

Hear me out
As I talk to you
Don't close your eyes
I'm just like you
Mmmmm...
Mmmmm...
Hear me out
As I talk to you
You don't own my life

'Cause I'm scared of you

Broken bones
Scars on my skin
Yeah I feel disgraced
For my own killer sins
Mmmmm...
Mmmmm...

Hear me out
As I talk to you
So hear the crowd
'Cause that'd be the truth

'Cause you tell me why
I swear in vain
And I'm here to sing for the poor lands
Mmmmm...
Mmmmm...
And the helpless mom calling this way
The father you ignore every day
The homeless child who is walking on a
better way

Oh, it's a crazy world up here
But I have faith
I believed that I was going to win
someday
La la la la la...
Hear me someday
La la la la la...

46 I was here

Beyonce

I wanna leave my footprints on the sands
of time
Know there was something that
Meant something that I left behind
When I leave this world,
I'll leave no regrets
Leave something to remember,
So they won't forget
I want to say I lived each day,
Until I die
And know that I meant something in
somebody's life
The hearts I have touched,
Will be the proof that I leave
That I made a difference
And this world will see

Chorus:

I was here...
I lived, I loved
I was here...
I did, I've done, everything that I wanted

And it was more than I thought it would
be
I will leave my mark so everyone will
know
I was here... /
I lived, I loved
I was here...
I did, I've done, everything that I wanted
And it was more than I thought it would
be
I will leave my mark so everyone will
know
I was here...
I just want them to know
That I gave my all,
Did my best
Brought someone some happiness
Left this world a little better just
because...
I was here...

49 What's up?

4 Non Blondes

· *Instrumental interlude* ·

25 years of my life and still
Tryin' to to get up that great big hill of
Hope, for a destination.
I realized quickly when I knew I should
That the world was made up of this
brotherhood of
Man, for whatever that means.

Chorus:

And so I cry sometimes, when I'm lying
in bed
just to get all out, what's in my head,
then I,

I am feeling, a little peculiar.
And so I wake in the morning, and I step
outside
And I take a deep breath, and I get real
high, and I,
scream from the top of my lungs,
"What's going on?"
And I say, "Hey yeah yeah hey, hey yeah
yeah."
I said, "Hey, what's going on?"
And I say, "Hey yeah yeah hey, hey yeah
yeah."
I said, "Hey, what's going on?"/
And I try, oh my god, do I try
I try all the time, in this institution.

And I pray, oh my god, do I pray
I pray every single day, for a revolution.

50 Chiquitita

Abba

Chiquitita, tell me what's wrong.
You're enchained by your own sorrow.
I-i-i-in your eyes there is no hope for
tomorrow.

How I hate to see you like this.
There is no way you can deny it.
I-I-I-I can see that you're oh so sad, so
quiet.

Chiquitita, tell me the truth.
I'm a shoulder you can cry on,
Your best friend, I'm the one you must
rely on.

You were always sure of yourself.
Now I see you've broken a feather.
I-I-I-I hope we can patch it up together.

Chorus:

Chiquitita, you and I know how the
heartaches come and they go
And the scars they're leavin'.
You'll be dancin' once again and the pain
will end,
You will have no time for grievin'.
Chiquitita, you and I cry but the sun is
still in the sky

And shinin' above you.
Let me hear you sing once more like you

did before,
Sing a new song, Chiquitita.
Try once more like you did before, sing a
new song, Chiquitita./

So the walls came tumblin' down
and your love's a blown out candle.
All is gone and it seems too hard to
handle.

Chiquitita, tell me the truth.
There is no way you can deny it.
I see that you're oh so sad, so quiet.

Chiquitita, you and I know how the
heartaches come and they go
and the scars they're leavin'.
You'll be dancin' once again and the pain
will end,
you will have no time for grievin'.

Chiquitita, you and I cry but the sun is

51 Mamma mia

Abba

I've been cheated by you since I don't
know when.
So I made up my mind it must come to
an end.

Look at me now, will I ever learn?
I don't know how but I suddenly lose
control.
There's a fire within my soul.
Just one look and I can hear a bell ring,
One more look and I forget everything,
oooh.

Chorus:

Mama mia, here I go again.
My my, how can I resist you?
Mama mia, does it show again?
My my, just how much I've missed you.
Yes, I've been brokenhearted.
Blue since the day we parted.
Why why did I ever let you go.
Mama mia, now I really know,
My my, I could never let you go./

I've been angry and sad about the things
that you do.
I can't count all the times that I've told
you we're through.

And when you go, when you slam the
door,
I think you know that you won't be away
too long,
You know that I'm not that strong.
Just one look and I can hear a bell ring,
One more look and I forget everything,
oooh.

Mama mia, here I go again.
My my, how can I resist you?
Mama mia, does it show again?
My my, just how much I've missed you.
Yes, I've been brokenhearted,
blue since the day we parted.
Why, why did I ever let you go.
Mama mia, even if I say
bye bye, leave me now or never,
Mama mia, it's a game we play.
Bye bye doesn't mean forever.

Mama mia, here I go again.
My my, how can I resist you?
Mama mia, does it show again?
My my, just how much I've missed you.
Yes, I've been brokenhearted,
blue since the day we parted.
Why, why did I ever let you go.
Mama mia, now I really know,
my my, I could never let you go.

52 Fernando

Abba

Can you hear the drums Fernando?
I remember long ago another starry night
like this
In the firelight Fernando
You were humming to yourself and softly
strumming your guitar
I could hear the distant drums and

sounds
of bugle calls were coming from afar

Chorus:

There was something in the air that night
The stars were bright, Fernando
They were shining there for you and me,
for liberty, Fernando
Though we never thought that we could
lose, there's no regret

If I had to do the same again, I would, my friend, Fernando	Almost made me cry
If I had to do the same again, I would, my friend, Fernando/	Now we're old and grey Fernando And since many years I haven't seen a rifle in your hand
They were closer now Fernando	
Every hour, every minute seemed to last eternally	Can you hear the drums Fernando? Do you still recall the fateful night we crossed the Rio Grande?
I was so afraid Fernando	
We were young and full of life and none of us prepared to die	I can see it in your eyes how proud you were to fight
And I'm not ashamed to say the roar of guns and cannons	For freedom in this land

53 Take a chance on me

Abba

Chorus:

If you change your mind, I'm the first in line	Get to know me better Cause you know I've got, so much that I wanna do
Honey I'm still free, take a chance on me/	When I dream I'm alone with you, it's magic You want to leave it there, afraid of a love affair
If you need me let me know, gonna be around	But I think you know, that I can't let go · Repeat the chorus ·
If you got no place to go when you're feelin' down	Oh you can take your chance baby, I'm in no hurry
If you're all alone, when the pretty birds have flown	Ooh I'm gonna get you You're the one that hurt me, baby don't worry
Honey I'm still free, take a chance on me	
Gonna do my very best, and it ain't no lie If you put me to the test, if you let me try Take a chance on me (that's all I ask of you, honey) – 1st time	I ain't gonna let you My love is strong enough To last when things are rough, it's magic You say that I waste my time, but I can't get you off my mind
(c'mon, give me a break, man) – 2nd time Take a chance on me	Oh I can't let go, cause I love you so · Repeat the chorus ·
We can go dancing, we can go walking As long as we're together	
Listen to some music, maybe just talking	

54 Breaking up again

Accept

Waking up on monday morning,
Sunday's been and gone.
Reaching out for you, but I was alone.
No I sit at the breakfast table, table set
for two.
Been the same thing every morning, silly
things I do.
Oooh, don't know what to do about you,
I never could give the way you gave.
Oooh, now should I try to find you,
Keep playing every song you played me.
Feel like breaking up again.

It's a thing I've got to live with, take it on
my own.
And wait until it's over, then again I
never know.
If I'd only seen you going, walking out
that door.
But I had no way of knowing, can't take
it no more.
Oooh, don't know what to do about you,
I never could give the way you gave.
Oooh, now should I try to find you,
Keep playing every song you played me.
Feel like breaking up again.

55 I need you

America

We used to laugh
We used to cry
We used to bow our heads, then
wonder why
But now you're gone
I guess I'll carry on
And make the best of what you left to
me
Left to me, left to me

Guess I'll start it all again
You know I need you
Like the winter needs the spring
You know I need you
I need you/
And every day
I'd laugh the hours away
Just knowing you were thinking of me
Then it came
That I was put to blame
For every story told about me
About me, about me

Chorus:

I need you
Like the flower needs the rain
You know I need you

· Repeat the chorus ·

56 Forever young

Alphaville

Let's dance in style, let's dance for a
while
Heaven can wait, we're only watching the
skies

Hoping for the best, but expecting the
worst
Are you going to drop the bomb or not?
Let us die young or let us live forever
We don't have the power, but we never
say never

Sitting in a sandpit, life is a short trip
The music's for the sad men

Can you imagine when this race is won?
Turn our golden faces into the sun
Praising our leaders, we're getting in

The music's played by the madmen tune

Chorus:

Forever young, I want to be forever young

Do you really want to live forever
Forever – and ever/

Some are like water, some are like the heat,
some are a melody and some are the beat

Sooner or later, they all will be gone,
why don't they stay young?

It's so hard to get old without a cause,
I don't want to perish like a fading horse
Youth's like diamonds in the sun
and diamonds are forever

So many adventures couldn't happen today,

so many songs we forgot to play
So many dreams swinging out of the blue,

we'll let them come true

· Repeat the chorus ·

57 Don't cry

Asia

· Instrumental interlude ·

Hard times you had before you
I know when I first saw you
You girl you've always been mistreated,
Cheated

So leave it all behind you
It took so long to find you
I know that we can last forever,
Ever and more, oh, oh!

Chorus:

Don't cry now that I have found you
Don't cry, take a look around you
Don't cry, it took so long to find you

Do what you want, but little darling please/

Don't cry...

I knew I'd never doubt it
I was so sure about it
Don't think of all that's been before
oh...

I'll hear you when you're calling,
I'll catch you when you're falling,
Don't worry, I will always be there
Like never before, oh, oh!

· Repeat the chorus ·

58 We have all the time in the world

Louis Armstrong

· Instrumental interlude ·

We have all the time in the world

Time enough for life to unfold
all the precious things love has in store
We have all the love in the world
If that's all we love you will find we need nothing more

Every step of the way will find us

With the cares of the world far behind us
We have all the time in the world
Just for love nothing more nothing less
only love

· Instrumental interlude ·

Every step of the way will find us

59 My way

Paul Anka

And now, the end is near
And so I face the final curtain.
My friend, I'll say it clear
I'll state my case of which I'm certain.
I've lived a life that's full

With the cares of the world far behind us
We have all the time in the world
Just for love nothing more nothing less
only love

· Instrumental interlude ·

I travelled each and every highway
And more, much more than this,
I did it my way.

Regrets, I've had a few
But then again too few to mention.
I did what I had to

60 Crucify

Tori Amos

Every finger in the room is
Pointing at me
I wanna spit in their faces then I
I get afraid of what that could bring.
I got a bowling ball in my stomach
I got a desert in my mouth;
figures that my courage would choose to
sell out now. I've been
looking for a savior in these
dirty streets,
looking for a savior
beneath these dirty sheets.
I've been raising up my hands ...
drive another nail in
Just what God needs,
one more victim.

Chorus:

Why do we crucify ourselves?
Every day I crucify myself.
Nothing I do is good enough for you.
I crucify myself

Every day I crucify myself
My heart is sick of being—
I said my heart is sick of being in
chains...
oh-oh
chains...
oh-oh/

Got a kick for a dog beggin' for love
I gotta have my suffering so that I can
have my cross
I know a cat named Easter, he says "Will
you ever learn?"
You're just an empty cage firl if you kill
the bird

I've been looking for a savior in these
dirt streets.
Looking for a savior beneath these dirty
sheets.
I've been raising up my hands, frive
another nail in;
got enough guilt to start my own
religion.

· Repeat the chorus ·

Please be...

sheets

Save me...

I've been raising up my hands—

I cry...

Drive another nail in

Ahhhhh

Where are those angels

Ahhhhh

When you need them?

Looking for a savior in these dirty streets

Looking for a savior beneath these dirty

63 Then I kissed her

Beach Boys

· *Instrumental interlude* ·

Well I walked up to her and I asked her if
she wanted to dance
She looked awful nice, and so I hoped
she might take a chance
When we danced I held her tight, and
then I walked her home that night
And all the stars were shining bright and
then I kissed her
Each time I saw her I couldn't wait to see
her again
I wanted to let her know that I was more
than a friend
I didn't know just what to do, so I
whispered "I love you"

And she said that she loved me too, and
then I kissed her

I kissed her in a way that I'd never kissed
a girl before

I kissed her in a way that I hoped she'd
like for evermore

I knew that she was mine so I gave her all
the love that I had

Then one day she'll take me home to
meet her mom and her dad

And then I'll ask her to be my bride, and
always be right by my side

I felt so happy that I almost cried, and
then I kissed her

And then I kissed her

And then I kissed her

Mama, I'm tellin' you as sure as I'm
standin' here

She's my girl and that's the way I'm
keepin' it, my mama dear

No good would it do you to stand there
and frown at me

The girl's got my heart and my love's
comin' down on me

My life's kinda mellow since I got a taste
of wild honey

You know she's got the sweetness of a
honey bee

Wild honey, she got it hard and stung me
good, yessirree

With all the other stud bees buzzin' all
around her hive

She singled me out, single-handed took

So I can spend my life with her... sock it

to me, wild honey

me

68 Eye of the tiger

Survivor

Risin' up, back on the street
Did my time, took my chances
Went the distance, now I'm back on my
feet

Just a man and his will to survive
So many times, it happens too fast
You change your passion for glory
Don't lose your grip on the dreams of the
past

You must fight just to keep them alive

Chorus:

It's the eye of the tiger, it's the thrill of
the fight

Risin' up to the challenge of our rival
And the last known survivor stalks his
prey in the night
And he's watchin' us all in the eye of the
tiger/

Face to face, out in the heat
Hangin' tough, stayin' hungry
They stack the odds 'til we take to the
street
For we kill with the skill to survive

· Repeat the chorus ·

Risin' up, straight to the top
Have the guts, got the glory
Went the distance, now I'm not gonna
stop

Just a man and his will to survive

· Repeat the chorus ·

69 The final countdown

Europe

We're leaving together
but still it's farewell
cause maybe we'll come back
to earth, who can tell
I guess there is no one to blame,
we're leaving ground
Will things ever be the same again?

Chorus:

It's the final countdown

The final countdown /

We're heading for Venus

and welcome us all
With so many lightyears to go

Everything depends on you

Chorus:

I've been waiting
for the angels to knock on my door
I've been hopin'
that everything could be like before/

I don't know if I'm weak I don't know if
I'm strong

Hey girl I can't cope any more

· Repeat the chorus ·

Open your heart — let me hear you
Make up your mind — I want to hear
you call
Open your heart — want to come near
you

Maybe the rain will continue to fall
Maybe you want to leave me behind
Maybe you'll change and give me a call

71 Here comes the rain again

Eurythmics

Here comes the rain again, falling on my
head like a memory
Falling on my head like a new emotion

Want to dive into your ocean, is it raining
with you?

Chorus:

So baby, talk to me, like lovers do
walk with me, like lovers do

Talk to me, like lovers do /

Here comes the rain again, raining on my

with you?

72 Friday in my mind

Easybeats

Monday morning feels so bad
Everybody seems to nag me
Comin' Tuesday I feel better
Even my old man looks good
Wednesday goes too slow
Thursday just don't go
I have Friday on my mind
I'm gonna have fun in the city
Be with my girl she's so pretty
She looks fine tonight
She is out of sight to me

(Tonight) I'll spend my bread
(Tonight) I'll lose my head
(Tonight) I've got to get
Tonight

Monday I've got Friday on my mind

Do the night-day grind once more
I know of nothing else that bores me
More than working for the rich man
Hey I'll change that scene one day
Today I might be mad
Tomorrow I'll be glad
I'll have Friday on my mind

73 Light my fire

The Doors

You know that it would be untrue
you know that I would be a liar
if I was to say to you
girl, we couldn't get much higher

Chorus:

Come on baby light my fire
come on baby light my fire
try to set the night on fire/

The time to hesitate is through
no time to wallow in the mire
try now we can only loose

And our love become a funeral pyre

· Repeat the chorus ·

74 Stairway to heaven

Led Zeppelin

There's a lady who's sure all that glitters
is gold
and she's buying a stairway to heaven
When she gets there she knows if the
stores are all closed
with a word she can get what she came
for

Oh oh and she's buying a stairway to
heaven
There's a sign on the wall but she wants
to be sure
'cause you know sometimes words have
two meanings

In a tree by the brook there's a songbird
who sings
Sometimes all of her thoughts are
misgiven

Oh it makes me wonder
Oh it makes me wonder
There's a feeling I get when I look to the
west
and my spirit is crying for leaving
In my thoughts I have seen rings of
smoke through the trees
and the voices of those who stand
looking

Oh it makes me wonder
Oh it really makes me wonder
And it's whispered that soon if we all call
the tune

then the piper will lead us to reason
And the new day will dawn for those
who stand long
and the forest will echo with laughter

If there's a bristle in your hedgerow don't
be alarmed now
it's just a spring clean for the May queen
Yes there are two paths you can go by but
in the long run
there's still time to change the road
you're on

Your head is humming and it won't go in
case you don't know
the pipers calling you to join him
Dear lady can you hear the wind blow
and did you know
your stairway lies on the whispering
wind

· Instrumental interlude ·

And as we wind on down the road
Our shadows taller than our soul
There walks the lady we all know
Who shines white light and wants to
know
how everything still turns to gold
And if you listen very hard
the time will come to you at last
When all are one and one is all
To be a rock and not to roll

And she's buying a stairway to heaven

75 Behind blue eyes

The Who

No one knows what it's like, to be the
bad man, to be the sad man, behind blue
eyes
No one knows what it's like to be hated,
to be fated, to telling only lies

Chorus:

But my dreams, they aren't as empty as
my conscience seems to be
I have hours, only lonely, My love is
vengeance that's never free/
No one knows what it's like to feel these
feelings like I do, and I blame you
No one bites back as hard on their anger,

none of my pain and woe, can show
through

· Repeat the chorus ·

When my fist clenches crack it open,
before I use it and lose my cool
When I smile tell me some bad news
before I laugh and act like a fool
And if I swallow anything evil, stick your
finger down my throat
If I shiver please give me a blanket, keep
me warm let me wear your coat
No one knows what it's like, to be the
bad man
To be the sad man, behind blue eyes

76 Who are you

The Who

Chorus:

Who are you, who who, who who (x4)/

I woke up in the Soho bar when a
policeman knew my name. He said,
"You can go sleep at home tonite if you
can get up and walk away."
I staggered back to the underground and
a breeze through back my
head. I remember throwing punches
around and preachin' from my
chair.

· Repeat the chorus ·

Who are you (Who are you, who who,
who who), I really want to know

(Who are you, who who, who who) Come
on tell me who are you
(Who are you, who who, who who)
Awww, who the f*** are you (Who are
you, who who, who who).

I know there's a place you walk where
love falls from the trees.
My heart is like a broken cut - it only
hurts when I'm on my knees.
I spill out like a sewer hole yet still
receive your kiss. How can
I measure up to anyone now after such a
love as this?

· Repeat the chorus ·

77 I'll keep you satisfied

Billy J. Kramer

· Instrumental interlude ·

You don't need anybody to hold you.
Here I stand with my arms open wide.
Give me love and remember what I told
you.

I'll keep you satisfied.

You don't need anybody to kiss you.
Ev'ryday I'll be here by your side.
Don't go away. I'm afraid that I might
miss you.

I'll keep you satisfied.

Chorus:

You can always get a simple thing like
Love anytime.
But it's different with a boy like me and a
love like mine.

So believe ev'rything that I've told you
And agree that with me by your side
You don't need anybody to hold you.
I'll keep you satisfied./

I'll keep you satisfied.

· Repeat the chorus ·

Give me love and remember what I told
you.

I'll keep you satisfied.

78 Always look on the bright side of life

Monty Python

Some things in life are bad
they can really make you mad
other things just make you swear and
curse

when you're chewing on large gristle
don't grumble - give a whistle
and whistles help things turn out for the
best

Chorus:

And always look at the bright side of life
always look on the light side of life /

If life seems jolly rotten
there's something you've forgotten
and that's to laugh and smile and dance
and sing
when you are feeling in the dumps
don't be silly chums

just purse your lips and whistle that's the
thing

· Repeat the chorus ·

For life is quite absurd
and death's the final word
you must always face the curtain with a
bow

forget about your sin
give the audience a grin
enjoy it's your last chance anyhow

Chorus:

So always look on the bright side of
death
just before you draw your terminal
breath./

Life's a piece of shit
when you look at it
life's a laugh and death's a joke - it's true
you see it's all a show
keep them laughing as you go

just remember that the last laugh is on
you

· Repeat the chorus ·

· Repeat the chorus ·

79 American pie

Don McLean

A long long time ago I can still remember
how that music used to make me smile

And I knew if I had my chance
that I could make those people dance
and maybe they'd be happy for a while.

But February made me shiver With every
paper I'd deliver
Bad news on the doorstep I couldn't take
one more step

I can't remember if I cried When I read
about his widowed bride
But something touched me deep inside
The day the Music Died

So

Chorus:

bye bye Miss American Pie Drove my
chevy to the levy But the levy was dry
And them good old boys were drinking
whiskey and rye
Singin' this'll be the day that I die this'll
be the day that I die./

Did you write the book of love And do
you have faith in God above?
If the Bible tells you so. Do you believe
in Rock 'n Roll?
Can music save your mortal soul? And
can you teach me how to dance real
slow?

Well, I know that you're in love with him
'cause I saw you dancin' in the gym
You both kicked off your shoes Man, I dig
those rythmny blues

I was a lonely teenage broncin' buck
With a pink carnation and a pickup
truck.

But I knew I was out of luck The day the
music died

I started singin'
· Repeat the chorus ·

Now for ten years we've been on our own
And moss grows fat on a rollin' stone
But that's not how it used to be When
the jester sang for the King and Queen
In a coat he borrowed from James Dean
And a voice that came from you and me

Oh, and while the King was looking
down The jester stole his thorny crown
The courtroom was adjourned No verdict
was returned

And while Lennon read a book of Marx
The court kept practice in the park
And we sang dirges in the dark The day
the Music Died.

We were singing
· Repeat the chorus ·

Helter-Skelter in a summer swelter The
Byrds flew off with a fallout shelter
Eight Miles High and falling fast It
landed foul out on the grass
The players tried for a forward pass But
the jester's on the sidelines in a cast

Now the half-time air was sweet perfume
While the sargeants played a marching
tune

We all got up to dance But we never got
the chance
'cause the players tried to take the field
The marching band refused to yield

Do you recall what was revealed the day
the Music Died?

We stared singing
· Repeat the chorus ·

Oh, and there we were all in one place A
generation Lost in Space
With no time left to start again So come
on, Jack be nimble
Jack be quick Jack Flash sat on a
candlestick 'cause fire is the Devil's only
friend

Oh, and as I watched him on the stage
My hands were clenched in fists of rage
No angel born in hell Could break that
Satan's spell
And as the flames climbed high into the
night To light the sacrificial rite
I saw Satan laughing with delight The
day the Music Died

He was singing
· Repeat the chorus ·

I met a girl who sang the blues And I
asked her for some happy news
But she just smiled and turned away I
went down to the sacred store
Where I'd heard the music years before
But the man there said the music
wouldn't play

And in the streets the children screamed
The lovers cried, and the poets dreamed
But not a word was spoken The Church
bells all were broken
And three men I admire most The Father,
Son and the Holy Ghost
They caught the last train for the coast
The Day the Music Died.
And they were singing

· Repeat the chorus ·

They were singing
· Repeat the chorus ·

80 Angie

Rolling Stones

from here?

Angie, Angie when will those clouds all
disappear?
Angie, Angie where will they lead us
from here?
With no loving in our souls and no
money in our coats
You can't say we're satisfied
Angie, Angie you can't say we never tried
Angie, you're beautiful but ain't it time
we said goodbye
Angie, I still love you remember all those
nights we cried
All the dreams we held so close seem to
all go up in smoke
Oh let me whisper in your ear
Angie, Angie where will they lead us

Oh Angie don't you weep all your kisses
still taste sweet
I hate that sadness in your eyes
But Angie, Angie ain't it time we said
goodbye?
With no loving in our souls and no
money in our coats
Oh you can't say we're satisfied
But Angie, I still love you baby
everywhere I look I see your eyes
There ain't a woman that comes close to
you come on baby dry your eyes
Angie, Angie ain't it good to be alive
Angie, Angie they can't say we never
tried

81 Another brick in the wall

Pink Floyd

We don't need no education
We don't need no thought control
No dark sarcasms in the classroom

Teacher leave us kids alone

Hey teacher leave us kids alone All in all
you're just another brick in the wall
All in all you're just another brick in the wall

82 Are you lonesome tonight

Elvis Presley

Are You lonesome tonight?
Do You miss me tonight?
Are You sorry we drifted apart?
Does Your memory stray
to a brighter summer day
when I kissed You and called you
sweetheart?

Do the chairs in your parlour
seem empty and bare?
Do You gaze at your doorstep
and picture me there?
Is Your heart filled with pain?
Shall I come back again?
Tell me, Dear, are You lonesome tonight?

Talking:

I wonder if you are lonesome tonight
You know someone said that the world is
a stage

And you must play a part.

Fate had me playing in love twes my
sweet heart.
Act one was when I met you, I loved you
at first glance
You read your line so cleverly and never
missed a cue
Then came act 2, you seemed to change
and you acted strange

And why I'll never know.
Honey, you're lying when you said you
loved me

And I had no cause to doubt you.
But I'd rather go on hearing your lies
Than go on living without you.
Now the stage is bare and I'm standing
there

With emptiness all around

And if you won't come back to me
Then make them bring the curtain down.

Sing again:

Is your heart filled with pain, shall I
come back again?
Tell me dear are you lonesome tonight.

83 Baby can I hold you

Tracy Chapman

Sorry Is all that you can't say
Years gone by and still
Words don't come easily

Like sorry like sorry
Forgive me
Is all that you can't say
Years gone by and still
Words don't come easily
Like forgive me forgive me

Chorus:

But you can say baby
baby, can I hold you tonight.
Baby, if I told you the right words,
at the right time, you'd be mine./

· Repeat the chorus ·

I love you
Is all that you can't say
Years gone by and still
Words don't come easily
Like I love you I love you
· Repeat the chorus ·

84 Lucy in the sky with diamonds

The Beatles

Picture yourself in a boat on a river
With tangerine trees and marmalade
Somebody calls you, you answer quite
A girl with kaleidoscope eyes.
Cellophane flowers of yellow and green
Look for the girl with the sun in her eyes
and she's gone

Chorus:

Lucy in the Sky with Diamonds.
Lucy in the Sky with Diamonds
Lucy in the Sky with Diamonds.
Ahhhhhhhhhhhh./

Follow her down to a bridge by a
fountain

where rockinghorse-people eat
marshmallow pies
Everyone smiles as you drift past the
flowers
that grow so incredibly high
Newspaper taxis appear on the shore
waiting to take you away
Climb in the back with your head in your
hand and you're gone

· Repeat the chorus ·

Picture yourself in a train in a station
with plasticine porters with looking glass
ties
Suddenly someone is there at the
turnstile
the girl with kaleidoscope eyes

· Repeat the chorus ·

85 The rose

Bette Midler

Some say love, it is a river, that drowns
the tender reed
Some say love, it is a razor, that leads
your soul to bleed
Some say love it is a hunger, and endless
aching need
I say love it is a flower and you its only
seed

It's the heart afraid of breaking that
never learns to dance
It's the dream afraid of waking that never
takes a chance
It's the one, who won't be taken who
cannot seem to give
And the soul afraid of dying that never
learns to live
When the night has been too lonely and
the road has been too long

And you find that love is only for the
lucky and the strong
Just remember in the winter for 'neath
the bitter snow

Lies the seed that with the sun's love, in
the spring becomes the rose

86 Knocking on heaven's door

do-o-or

Bob Dylan

Mama take this badge from me
'Cause I can't use it anymore
It's getting dark, too dark to see
feels like I'm knocking on heaven's door
hay hay - hay hay hay
knock, knock, knocking on heaven's door
knock, knock, knocking on heaven's door
knock, knock, knocking on heaven's door
knock, knock, knocking on heaven's door
knock, knock, knocking on heaven's

Mama put those guns to the ground
'Cause I can't shoot them anymore
That cold black cloud is comin' down
Feels like I'm knockin' on heaven's door

hay hay - hay hay hay

knock, knock, knocking on heaven's door
knock, knock, knocking on heaven's door
knock, knock, knocking on heaven's door
knock, knock, knocking on heaven's door.

87 Bridge over troubled water

Paul Simon

When you're weary, feeling small,
When tears are in your eyes, I'll dry them
all.
I'm on your side, oh, when times get
rough,
And friends just can't be found,

Chorus:

Like a bridge over troubled water,
I will lay me down,
Like a bridge over troubled water,
I will lay me down./

When you're down and out, when you're

on the street,
When evening falls so hard, I will
comfort you.

I'll take your part, oh, when darkness
comes,

And pain is all around,

· Repeat the chorus ·

Sail on silver girl, sail on by,
Your time has come to shine, all your
dreams are on their way.

See how they shine, oh, if you need a
friend,

I'm sailing right behind,

· Repeat the chorus ·

88 Straight from the heart

Bryan Adams

I could stop dreaming, but in never ends.

As long as you're gone we may as well
pretend.

I been dreamin' straight from the heart.

You say it's easy, but who's to say that
we'd be

able to keep it this way.

But it's easier, comin' straight from the
heart.

Oh give it to me straight from the heart

Tell me we could make another start

You know I'll never go as long as I know
it's comin'

straight from the heart.

I see you on the street some other time,

When all the words will just fall out of
line

While we're dreamin' straight from the
heart.

Oh give it to me straight from the heart

Tell me we could make another start

You know I'll never go as long as I know
it's comin'

straight from the heart.

· Instrumental interlude ·

Straight from the heart

Tell me we could make one more start

You know I'll never go as long as I know,
give it to me now

straight from the heart.

it's comin' straight from the heart

89 Summer of '69

Bryan Adams

I got my first real six-string

Bought it at a five-and-dime

Played it til my fingers bled

It was the summer of 69

Me and some guys from school

had a band and we tried real hard

Jimmy quit and Jody got married

I shoulda known we'd never get far

Chorus:

Oh when I look back now

that summer seemed to last forever

Oh and if I had a choice

Yeah I'd always wanna be there

Those were the best days of my life/

Ain't no use in complainin'

when you got a job to do

Spent my evenings down at the drive-in
and that's where I met you

Chorus:

Standin on your mama's porch

you told me that you'd wait forever

Oh and when you held my hand

I knew that it was now or never

Those were the best days of my life

back in the summer of '69/

Man we were killing time

we were young and restless we needed to
unwind

I guess nothin' can last forever— forever;
no

And now the times are changing

look at everything thats come and gone

Sometimes when I play that old

But I could have told you, Vincent,
 This world was never meant for one as
 beautiful as you
 Stary, starry night, portraits hung in
 empty halls
 Frameless heads on nameless walls with
 eyes that watch the world and can't
 forget.
 Like the stranger that you've met, the
 ragged man in ragged clothes

The silver thorn of bloody rose, lie
 crushed and broken on the virgin snow
 Now I think I know what you tried to say
 to me
 How you suffered for you sanity How
 you tried to set them free
 They would not listen they're not
 listening still
 Perhaps they never will

94 Tequila sunrise

The Eagles

It's another tequila sunrise
 Starin' slowly 'cross the sky, said
 goodbye
 He was just a hired hand
 Workin on the dreams he planned to try,
 the days go by
 Every night when the sun goes down
 Just another lonely boy in town
 And she's out runnin' round
 She wasn't just another woman

And I couldn't keep from comin' on, it's
 been so long
 Oh and it's a hollow feelin'
 When it comes down to dealin' friends, it
 never ends
 Take another shot of courage
 Wonder why the right words never come,
 you just get numb
 It's another tequila sunrise
 This old world still looks the same,
 another frame

95 El condor pasa

Paul Simon

I'd rather be a sparrow than a snail
 Yes I would, if I could, I surely would
 Hmm
 I'd rather be a hammer than a nail
 Yes I would, if I only could, I surely
 would
 Hmm

Away, I'd rather sail away
 Like a swan that's here and gone
 A man gets tied up to the ground
 He gives the world its saddest sound
 Its saddest sound
 I'd rather be a forest than a street
 Yes I would, if I could, I surely would
 I'd rather feel the earth beneath my feet
 Yes I would, if I only could, I surely
 would

96 Can you feel the love tonight

Elton John / Tim Rice

There's a calm surrender
To the rush of day
When the heat of the rolling world
Can be turned away

An enchanted moment
And it sees me through
It's enough for this restless warrior
Just to be with you

There's a time for everyone
If they only learn
That the twisting kaleidoscope
Moves us all in turn

There's a rhyme and reason

To the wild outdoors
When the heart of the star-crossed
voyager
Beats in time with yours

Chorus:

And can you feel the love tonight
It is where we are
It's enough for this wide-eyed wanderer
That we've got this far /

And can you feel the love tonight
How it's laid to rest
It's enough to make kings and vagabonds
Believe the very best

· Repeat the chorus ·

It's enough to make kings and vagabonds
Believe the very best

97 Candle in the wind

Elton John

Goodbye Norma Jean, though I never
knew you at all
You had the grace to hold yourself while
those around you crawled They crawled
out of the woodwork and they whispered
into your brain

They sent you on a treadmill and they
made you change your name

Chorus:

And it seems to me you lived your life
Like a candle in the wind Never knowing
who to cling to when the rain set in
And I would have liked to've known you
but I was just a kid
Your candle burned out long before your
legend ever did/

Loneliness was tough, the toughest role
you ever played

Hollywood created a superstar and pain
was the price you paid
And even when you died, oh, the press
still hounded you
All the papers had to say was that
Marilyn was found in the nude

· Repeat the chorus ·

Goodbye Norma Jean, though I never
knew you at all
You had the grace to hold yourself while
those around you crawled
Goodbye Norma Jean, from a young man
in the twenty second row
Who sees you as something more than
sexual, more than just our Marilyn
Monroe

· Repeat the chorus ·

98 Can't help falling in love

Elvis A. Presley

Wise man say, only fools rush in
But I can't help falling in love with you

Shall I stay, would it be a sin
If I can't help falling in love with you

Chorus:

Like a river flows surely to the sea

Darling so it goes, some things are meant
to be /

Take my hand, take my whole life too
For I can't help falling in love with you

· Repeat the chorus ·

Take my hand, take my whole life too
For I can't help falling in love with you
For I can't help falling in love with you

99 Hero

Mariah Carey

· Instrumental interlude ·

Mmmm - mmmm
There's a hero, if you look inside your
heart

You don't have to be afraid of what you
are

There's an answer, if you reach into your
soul
And the sorrow that you know will melt
away

Chorus:

And then a hero comes along, with the
strength to carry on

And you cast your fears aside, and you
know you can survive

So, when you feel like hope is gone, look
inside you and be strong

And you finally see the truth, that a hero
lies in you/

It's a long road, and you face the world
alone

No one reaches out a hand for you to
hold

You can find love, search within yourself
And the emptiness you bear will
disappear

· Repeat the chorus ·

Ooh - ooh
Love knows - things are hard to follow
But don't let anyone take that away
Hold on - there will be tomorrow
In time you find the way

· Repeat the chorus ·

That a hero lies in you

· Instrumental interlude ·

Mmm-mmm, that a hero lies in you

100 Wonderful tonight

Eric Clapton

It's late in the evening, she's wondering
what clothes to wear.

She puts on her make-up, and brushes
her long blonde hair.

And then she asks me, do I look all right,
And I say yes, you look wonderful
tonight

We go to a party and everyone turns to
see

This beautiful lady that's walking along
with me

And then she asked me: "Do you feel
alright?"

And I said: "Yes, I feel wonderful
tonight."

Chorus:

And I feel wonderful, because I see the
love-light

in your eyes
then the wonder of it all is that you just
don't realise how much

I love you./

It's time to go home now, but I've got an
aching head

So I give her the car keys and she helps
me to bed

And then I tell her, as I turn out the light
I say: "Darling, you are wonderful

tonight"

Oh my darling, you are wonderful
tonight

I'll say, "My darlin', you were wonderful
tonight"

101 Sounds of silence

Paul Simon

Hello darkness my old friend,
I've come to talk with you again.
Because a vision softly creeping
Left it's seed while I was sleeping,
And the vision that was planted in my
brain

Still remains
Within the sounds of silence.

In restless dreams I walked alone,
Narrow streets of cobble stone.
'Neath the halo of a street lamp,
I turned my collar to the cold and damp,
When my eyes were stabbed by the flash
of a neon light

That split the night
And touched the sounds of silence.

And in the naked light I saw

Ten thousand people, maybe more.
People talking without speaking,
People hearing without listening,
People writing songs that voices never
shared,

And no one dared
Disturb the sounds of silence.

"Fools!" said I, "you do not know,
Silence like a cancer grows.
Hear my words that I might teach you,
Take my arms that I might reach you."
But my words like silent raindrops fell...
And echoed in the wells of silence.

And the people bowed and prayed
To the neon gods they made.
And the sign flashed out its warning,
In the words that it was forming,
And the sign said, "The words of the
prophets are

written on the subway walls
And tenement halls.”

And whispered in the sounds of silence.

102 **Everybody hurts**

R.E.M.

· Instrumental interlude ·

When the day is long, and the night, the
 night is yours alone.
And you're sure you've had enough of
 this life to hang on.
Don't let yourself go, cause everybody
 cries, and everybody hurts.
Sometimes, sometimes everything is
 wrong.
Now it's time to sing along hold on,
when your day is night alone
hold on. hold on.
when you feel like let him go.
You think you've had too much of this
 life to hang on.

Cause everybody hurts. To comfort in
 your friends everybody hurts.

Don't throw your hand, ho-old on. Don't
 throw your hand.
If you feel like you're alone. no, no, no,
 not alone.

If you're on your own. Of this life, the
 days and nights alone.

When you think you've had too much of
 this life, to hang on.

For everybody hurts. For sometimes
 everybody cries.

Everybody hurts.

Sometimes everybody hurts.

Sometimes, hold on, hold on, hold on,
 hold on, hold on, hold on

103 **More than words**

Extreme

Sayin' I love you is not the word I want to
 hear from you
It's not that I want you not to say but if
 you only knew
How easy it would be to show me how
 you feel
More than words is all you have to do to
 make it real
Then you wouldn't have to say that you
 love me
'cause I'd already know
What would you do if my heart was torn
 in two?
More than words to show you feel that
 your love for me is real
What would you say if I took those words

 away?
Then you couldn't make things new just
 by sayin' "I love you"

La di da da da da di da da di dai dai da
More than words La da da da di da

Now that I have tried to talk to you and
 make you understand

All you have to do is close your eyes and
 just reach out your hand

and touch me Hold me close don't ever
 let me go

More than words is all I ever needed you
 to show

Then you wouldn't have to say that you
 love me

'cause I'd already know
What would you do if my heart was torn

 in two?

More than words to show you feel that	da di dai dai da
your love for me is real	More than wordsLa di da da da da di da
What would you say if I took those words	da di dai dai da
away?	More than wordsLa di da da da da di da
Then you couldnt make things new just	da di dai dai da
by sayin' "I love you"	More than words
La di da da da da di da da di dai dai da	More than words
More than wordsLa di da da da da di da	

104 The first cut is the deepest

Cat Stevens

I would have given you all of my heart
 But there's someone who's torn it apart
 And she's taken all that I had
 But, if you want, I'll try to love again
 Baby I'll try to love again but I know

Chorus:

The first cut is the deepest
 Baby, I know, the first cut is the deepest

When it comes to being lucky she's
cursed

When it comes to loving me she's worse/

I still want you by my side
 Just to help me dry the tears that I've
cried

And I'm sure gonna give you a try
 And, if you want, I'll try to love again
 Baby I'll try to love again but I know

· Repeat the chorus ·

105 Jamaica farewell

Lord Burgess

Down the way, where the nights are gay,
 And the sun shines daily on the
mountain top,

I took a trip on a sailing ship,
 And when I reached Jamaica, I made a
stop.

Chorus:

But I'm sad to say, I'm on my way,
 Won't be back for many a day,
 My heart is down, my head is turning
around,

I had to leave a little girl in Kingston

town./

Sounds of laughter everywhere,
 And the dancing girls sway to and fro,
 I must declare, my heart is there,
 "Though I've been from Maine to Mexico.

· Repeat the chorus ·

Down at the market, you can hear,
 Ladies cry out while on their heads they
bear,

Aki rice, swordfish are nice,
 And the rum is fine any time of year.

· Repeat the chorus ·

106 Heart of gold

Neil Young

I wanna live, I wanna give,
I've been a miner for a heart of gold.
It's these expressions I never give
that keep me searchin' for a heart of
gold,
And I'm gettin' old.
Keep me searchin' for a heart of gold,
And I'm gettin' old.
I've been to Hollywood, I've been to
Redwood,

I'd cross the ocean for a heart of gold,
I've been in my mind, it's such a fine line
that keeps me searchin' for a heart of
gold,
And I'm gettin' old,
Keeps me searchin' for a heart of gold,
And I'm gettin' old.
Keep me searchin' for a heart of gold,
You keep me searchin' and I'm growin'
old.
Keep me searchin' for a heart of gold,
I've been a miner for a heart of gold.

107 Help me make it through the night

Kris Kristofferson

Take the ribbon from your hair
shake it loose and let it fall
layin' soft against my skin
like the shadows on the wall
Come and lay down by my side
till the early morning light
all I'm taking is your time
help me make it through the night

I don't care who's right or wrong
I don't try to understand
let the devil take tomorrow
Lord, tonight I need a friend

Yesterday is dead and gone
and tomorrow's out of sight
and it's sad to be alone
help me make it through the night

Lord, it's sad to be alone,
help me make it through the night.

108 In the summertime

Mungo Jerry

· Instrumental interlude ·

In the summertime when the weather is
high,
you can stretch right up and touch the
sky,
when the weather is fine,
you got women, you got women on your
mind.

Have a drink, have a drive,
go out and see what you can find.

If her daddy's rich, take her out for a
meal.

If her daddy's poor, just do as you feel.
Speed along the land,
do a ton, or a ton and twentyfive.
When the sun goes down, you can make
it,
make it good in a lay-by.

We're not grey people, we're not dirty,

<p>we're not mean. We love everybody, but we do as we think. When the weather is fine we go fishing or go swimming in the sea. We're are always happy, live's for living, yeah, that's our philosophy. Sing along with us, dee-dee-dee-dee-dee. Da-da-da-da-da... Yeah, we're happy happy, da-da-da-da-dah.</p>	<p>When the winter's here, then it's party time. Bring a bottle, wear you're bright clothes. It'll soon be summertime. And we'll sing again, we'll go drivin' or maybe we'll settle down. If she's rich, if she's nice, bring you're friends and we'll all go into town.</p>

109 Jealous guy

The Beatles

I was dreaming of the past
 And my heart was beating fast
 I began to lose control
 I began to lose control
 I didn't mean to hurt you
 I'm sorry that I made you cry
 I didn't mean to hurt you
 I'm just a jealous guy
 I was feeling insecure
 You might not love me any more
 I was shivering inside
 I was shivering inside

I didn't mean to hurt you
 I'm sorry that I made you cry
 I didn't mean to hurt you
 I'm just a jealous guy

I was trying to catch your eyes
 Thought that you were trying to hide
 I was swallowing my pain
 I was swallowing my pain

I didn't mean to hurt you
 I'm sorry that I made you cry
 I didn't mean to hurt you
 I'm just a jealous guy

110 Lady in black

Uriah Heep

She came to me one morning, one lonely
 Sunday morning,
 her long hair flowing in the mid-winter
 wind.
 I know not how she found me, for in
 darkness I was walking,
 and destruction lay around me from a
 fight I could not win.
 Ahahaaahaahah, ahahaaahahaha !

She asked me name my foe then. I said
 the need within some men
 to fight and kill their brothers without
 thought of men or god.
 And I begged her give me horses to
 trample down my enemies,
 so eager was my passion to devour this
 waste of life.

Ahahaaahaahah, ahahaaahahaha !

But she would not think of battle that
 reduces men to animals,

so easy to begin and yet impossible to
 end.
 For she the mother of all men had
 counceled me so wisely that
 I feared to walk alone again and asked if
 she would stay.
 Ahahaaahaahah, ahahaaahahaha !
 "Oh lady lend your hand," I cried, "Oh
 let me rest here at your side."
 "Have faith and trust in me," she said
 and filled my heart with life.
 There is no strength in numbers. I've no
 such misconceptions.
 But when you need me be assured I
 won't be far away.
 Ahahaaahaahah, ahahaaahahaha !

Thus having spoke she turned away and
 though I found no words to say
 I stood and watched until I saw her black
 cloak disappear.
 My labor is no easier, but now I know I'm
 not alone.
 I find new heart each time I think upon
 that windy day.
 And if one day she comes to you drink
 deeply
 from her words so wise.
 Take courage from her as your prize and
 say hello for me.
 Ahahaaahaahah, ahahaaahahaha !

111 Living next door to Alice

Smokie

Sally called when she got the word
 She said I suppose you've heard - About
 Alice
 Well I rushed to the window, well I
 looked outside
 I could hardly believe my eyes, As a big
 limousine
 rolled up to Alices drive

Chorus:

I don't know why she's leaving or where
 she's gonna go
 I guess she's got her reasons but I just
 don't want to know
 'Cos for twenty four years I've been
 living next door to Alice
 Twenty four years waiting for the chance
 to tell her how I feel
 And maybe get a second glance, now I've

got to get used to
 not living next door to Alice/
 We grew up together,two kids in the park
 We carved our initials - deep into the
 bark -Me and Alice
 Now she walks through the door,her
 head held high
 Just for a moment I caught her eye - The
 big limousine
 Pulled out of Alices drive

· Repeat the chorus ·

Sally called back and asked how I felt
 And she said-Hey, I know how to help -
 get over Alice
 She said Alice is gone, but I'm still here
 You know I've been waiting for twenty
 four years
 And the big limousine Disappeared

· Repeat the chorus ·

112 Losing my religion

R.E.M.

· *Instrumental interlude* ·

Oh, life it's bigger,
it's bigger that you and you are not me
The lengths that I will go to,
the distance in your eyes
Oh no I've said too much,
I've said it all
That's me in the corner,
that's me in the spotlight,
losing my religion
Trying to keep up with you
and I don't know if I can do it
Oh no I've said too much,
I haven't said enough

I thought that I heard you laughing,
I thought that I heard you sing
I think I thought I saw you try

Every whisper of every waking hour
I'm choosing my confessions
Trying to keep an eye on you
Like a hurt lost and blinded foal, oh
Oh no I've said too much, I said it all
Consider this, consider this
a hint of the century,

Consider this, a slip that brought me to
my knees, pale
What if all these fantasies come flailing
around

Now I've said too much
I thought that I heard you laughing,
I thought that I heard you sing
I think I thought I saw you try

But That was just a dream
That was just a dream

That's me in the corner,
that's me in the spotlight,
losing my religion
Trying to keep up with you
and I don't know if I can do it
Oh no I've said too much,
I haven't said enough
I thought that I heard you laughing,
I thought that I heard you sing
I think I thought I saw you try
But That was just a dream
Try, cry, fly, and try
That was just a dream
Just a dream
Just a dream
Dream

Wet Wet Wet

· *Instrumental interlude* ·

I feel it in my fingers,

come on and let it show

· *Instrumental interlude* ·

You know I love you I always will
My mind's made up by the way that I feel
There's no beginning, there'll be no end
'Cause on my love you can depend/

· *Instrumental interlude* ·

as I lay on my bed
I kinda get to thinking
of all the things we said
You gave a promise to me,
and I gave mine to you
I need someone beside me
in everything I do

· Repeat the chorus ·

Suzanne Vega

My name is Luka
I live on the second floor
I live upstairs from you

If you hear something late at night
Some kind of trouble, some kind of fight
Just don't ask me what it was
Just don't ask me what it was
Just don't ask me what it was

116 Sweet home Alabama

Lynyrd Skynyrd

Big wheels keep on turning
Carry me home to see my kin.
Singing songs about the southland
I miss'ole' 'bamy once again (and I think

her
Well, I heard ole Neil put her down.
Well, I hope Neil Young will remember,
A southern man don't need him around

anyhow

· Repeat the chorus ·

Chorus:

Sweet home Alabama,
 Where the skies are so blue,
 Sweet home Alabama,
 Lord, I'm coming home to you./
 In Birmingham they love the Gov'nor

 Now Watergate does not bother me.
 Does your conscience bother you? (tell
 the truth)

 Swampers
 And they've been known to pick a tune
 or two
 Lord they get me off so much
 They pick me up when I'm feeling blue
 Now how about you?

· Repeat the chorus ·

118 To be with you

Mr. Big

Hold on little girl. Show me what he's
done to you.
Stand up little girl. A broken heart can't
be that bad.
When it's through, it's through. Fate will
twist the both of you.
So come on baby, come on over. Let me
be the one to show you.

Chorus:

I'm the one who wants to be with you
Deep inside I hope you'll feel it too.
Waited on a line of greens and blues
just to be the next to be with you./

Build up your confidence so you can be
on top for once.

Wake up! Who cares about little boys
that talk to much?
I seen it all go down. Your game of love
was all rained out.
So come on baby, come on over. Let me
be the one to hold you.

· *Repeat the chorus* ·

Why be alone when we can be together
baby?
You can make my life worthwhile. I can
make you start to smile.

I'm the one who wants to be with you.

just to be the next to be with you.

119 It must have been love

Roxette

Lay a whisper on my pillow,
leave a winter on the ground
I wake up lonely, there's air of silence
in the bedroom and all around
Touch me now, I close my eyes and
dream away

It must have been love, but its over now
It must have been good, but I lost it
somehow

It must have been love but its over now
from the moment we touched till the
time had run out

Make believing, we're together
that I'm sheltered by hour heart

But in and outside I've turned to water
like a teardrop in your palm
And its hard, winter's day, I dream away

It must have been love, but its over now
It was all I wanted, now I'm living
without

It must have been love but its over now
Its where the water flows, its where the
wind blows

It must have been love but its over now
It must have been good, but I lost it
somehow

It must have been love, but its over now,
from the moment we touched
till the time had run out. Yeah it must
have been love .. repeat and fade

120 Still haven't found what I'm looking for

U2

I have climbed the highest mountains
I have run through the fields
Only to be with you
Only to be with you

I have run I have crawled
I have scaled these city walls
these city walls
Only to be with you

Chorus:

But I still haven't found
What I'm looking for
But I still haven't found
What I'm looking for/

I have kissed honey lips
Felt the healing in her fingertips

It burned like fire
This burning desire

I have spoke with the tongue of angels
I have held the hand of a devil
It was warm in the night
I was cold as a stone

· Repeat the chorus ·

I believe in the Kingdom Come
Then all the colors will bleed into one
But yes I'm still running.
You broke the bonds
You loosened the chains
You carried the cross
And my shame
And my shame
You know I believed it

· Repeat the chorus ·

121 Only you

The Platters

Only you can make this world seem right
Only you can make the dark-ness bright
On-ly you and you a-lone, can thrill me
like you do,
and fill my heart with love for only you

Only you can make this change in me
for it's true you are my des-ti-ny
When you hold my hand, I understand
the magic that you do
You're my dream come true

My one and only
You

122 Puff the magic dragon

Peter, Paul and Mary

Puff the magic dragon lived by the sea,
And frolicked in the autumn mist
in a land called Honah Lee,
Little Jackie Paper loved that rascal Puff,
And brought him strings and sealing

wax.

and other fancy stuff.Oh!

Chorus:

Puff the magic dragon
lived by the sea,
And frolicked in the autumn mist
in a land called Honah Lee,
Puff the magic dragon
lived by the sea,

And frolicked in the autumn mist
in a land called Honah Lee./

Together they would travel on a boat
with billowed sail,

Jackie kept a lookout perched
on Puff's gigantic tale,
-Noble kings and princes would bow
when-e'er they came.

-Pirate ships would low'r their flag
when Puff roared out his name. Oh!

· *Repeat the chorus* ·

A dragon lives forever, but not so little
boys,

Painted wings and giant rings
make way for other toys.

-One grey night it happened, Jackie
Paper came no more

And Puff the mighty dragon-
He ceased his fearless roar. Oh!

· *Repeat the chorus* ·

His head was bent in sorrow, green scales
fell like rain,

Puff no longer went to play
along the cherry lane.

Without his life-long friend -Puff could
not be brave

So Puff that mighty dragon sadly
slipped into his cave. Oh!

· *Repeat the chorus* ·

123 Wish you were here

Pink Floyd

So, so ya think you can tell
heaven from hell,
blue skies from pain,
can you tell a green field
from a cold steel rail?
A smile from a veil?
Do ya think ya can tell?

Did they get you to trade,
your hero's for ghosts,
hot ashes for trees
Hot air for a cool breeze,

cold comfort for change,
did you exchange,
a walk on part in the war,
for a lead role in a cage?

How I wish, how I wish you were here,
We're just two lost souls swimming in a
fish bowl,
Year after year, Running over the same
old ground,

but have we found
the same old fears,
Wish you were here

124 Proud Mary

Creedence Clearwater Revival

· *Instrumental interlude* ·

Left a good job in the city,
workin' for the man every night and day
and I never lost one minute of sleepin',

worryin' 'bout the way things might have
been.

Big wheel a-keep on turnin'
Proud Mary keep on burnin',
Rollin', rollin', rollin' on the river.

Cleaned a lot of plates in Memphis,
pumped a lot of pain down in New
Orleans,

But I never saw the good side of the city,
till I hitched a ride on a river boat queen.
Big wheel a-keep on turnin,
Proud Mary keep on burnin,
rollin, rollin, rollin on the river.

· *Instrumental interlude* ·

Rollin, rollin, rollin on the river.
if you come down to the river,

bet you're gonna find some people who live,
you don't have to worry, cause you have no money,
people on the river are happy to give.
Big wheel keep on turnin,
Proud Mary keep on burnin,
rollin, rollin, rollin on the river.

125 Killing me softly with his song

The Fugees

Chorus:

Strumming my pain with his fingers,
Singing my life with his words
Killing me softly with his song,
killing me softly with his song
Telling my whole life with his words,
killing me softly with his song/

I heard he sang a good song,
I heard he had a style
And so I came to see him,
to listen for a while
And there he was this young boy,
a stranger to my eyes

· *Repeat the chorus* ·

I felt all flushed with fever,
embarrassed by the crowd
I felt he found my letters
and read each one out loud
I prayed that he would finish,
but he just kept right on

· *Repeat the chorus* ·

He sang as if he knew me,
in all my dark despair
And then he looked right through me
as if I wasn't there
But he was there this stranger,
singing clear and strong

· *Repeat the chorus* ·

126 Sailing

Graham Sutherland

I am sailing, I am sailing
home again 'cross the sea
I am sailing stormy waters
to be near you, to be free

I am flying, I am flying
like a bird 'cross the sky
I am flying, passing high clouds,
to be with you, to be free

Can you hear me, can you hear me
through the dark night, far away
I am dying, forever trying
to be with you, who can say

Can you hear me, can you hear me
through the dark night, far away
I am dying, forever trying
to be with you, who can say

We are sailing, we are sailing
home again 'cross the sea
We are sailing stormy waters

to be near you, to be free
Oh, Lord, to be near you, to be free

Oh, Lord, to be free

127 Ruby Tuesday

Rolling Stones

She would never say where she came
from

Yesterday don't matter if it's gone
While the sun is bright
Or in the darkest night
No one knows she comes and goes

Chorus:

Goodbye Ruby Tuesday
Who could hang a name on you
When you change with ev'ry new day
Still I'm gonna miss you/

Don't question why she needs to be so

She'll tell you it's the only way to be
She just can can't be chained
To a life where nothing's gained
And nothing's lost at such a cost

· *Repeat the chorus* ·

There's no time to loose I heard her say
Cash your dream before they slip away
Dying all the time
Lose your dreams and you
will loose your mind ain't life unkind

· *Repeat the chorus* ·

128 Wind of change

Scorpions

I follow the Moskva
Down to Gorky Park
Listening to the wind of change
An August summer night
Soldiers passing by
Listening to the wind of change

The world is closing in
Did you ever think
That we could be so close, like brothers
The future's in the air
I can feel it everywhere
Blowing with the wind of change

Take me to the magic of the moment
On a glory night
Where the children of tomorrow dream
away

In the wind of change
Walking down the street

Distant memories
Are buried in the past forever
I follow the Moskva
Down to Gorky Park
Listening to the wind of change

Take me to the magic of the moment
On a glory night
Where the children of tomorrow share
their dreams

With you and me
Take me to the magic of the moment
On a glory night
Where the children of tomorrow dream
away

In the wind of change

The wind of change
Blows straight into the face of time
Like a stormwind that will ring the
freedom bell

For peace of mind
Let your balalaika sing

What my guitar want to say
Take me to the magic of the moment
On a glory night
Where the children of tomorrow share
their dreams
With you and me

Take me to the magic of the moment
On a glory night
Where the children of tomorrow dream
away
In the wind of change

129 You got it

Travelling Wilburys

Every time I look into your loving eyes
I see a love that money just can't buy
One look from you I drift away
I pray that you are here to stay
Every time I hold you I begin to
understand
Everything about you tells me I'm you
man
I live my life to be with you

No one can do the things you do
Anything you want you got it.
Anything you need you got it.
Anything at all you got it, baby
Anything you want you got it
Anything you need you got it
Anything at all
Glad to give my love to you
I know you feel the way I do

130 Runaway train

Soul Asylum

Call you up in the middle of the night
Like a fire without a light
You were like a blow torch burning
I was a key that could use a little turning
So tired that I couldn't even sleep
So many secrets I couldn't keep
Promised myself I wouldn't weep
One more promise I couldn't keep
It seems no one can help me now
I'm in too deep
There's no way out
This time I have really led myself astray

Can you help me remember how to smile
Make it all somehow seem worthwhile
How on earth did I get so jaded?
Life's mystery seems so faded
I can go where no one else can go
I know what no one else knows
Here I am just drownin' in the rain
With a ticket for a runaway train
Everything is cut and dry
Day and night earth and sky
Somehow I just dont believe it

Runaway train never going back
Wrong way on a one way track
Seems like I should be getting
somewhere
Somehow I'm neither here nor there

Runaway train never going back
Wrong way on a one way track
Seems like I should be getting
somewhere
Somehow I'm neither here nor there

· Instrumental interlude ·

Bought a ticket for a runaway train
Like a madman laughing at the rain

A little out of touch a little insane
It's just easier than dealing with the pain
Runaway train never going back
(Runaway train)
Wrong way on a one way track
Seems like I should be getting
somewhere
Somehow I'm neither here nor there

Runaway train never coming back
(Runaway train)
Runaway train tearing up the track
(Runaway train)
Runaway train burning in my veins
(Runaway train)
Runaway but it always seems the same.

131 Back for good

Take That

· Instrumental interlude ·

I guess, now it's time,
for me to give up,
I feel it's time,
Got a picture of you beside me,
Got your lipstick marks still
on your coffee cup,
Oh yeah, Got a fist of your emotion,
Got a head of shattered dreams,
Gotta leave it, gotta leave it all behind

now

Chorus:

Whatever I said, whatever I did,
I didn't mean it,
I just want you back for good,
(want you back, want you back,
want you back for good),
Whenever I'm wrong,
just tell me the song and I'll sing it,
You'll be right and understood,
(want you back, want you back)
I want you back for good /

Unaware but underline,
I figured out the story (no no),
It wasn't good (no no),
But in a corner of my mind
(corner of my mind),
I celebrated glory,
But that was not to be,
In the twist of separation,
you excelled at being free,
Can't you find (can't you find)
A little room inside for me

· Repeat the chorus ·

And we'll be together,
this time it's for ever,
You can't fight it,
and forever we will be,
So complete in our love,
We will never be uncommon again

· Repeat the chorus ·

I guess it's time,
that you came back for good.

132 Shape of you

Ed Sheeran

· Instrumental interlude ·

The club isn't the best place to find a

lover so the bar is where I go
Me and my friends at the table doing
shots, drinking fast and then we talk
slow
Come over and start up a conversation

with just me and trust me I'll give it a
chance now
Take my hand, stop! Put Van the man on
the jukebox and then we start to dance
and now I'm singing like

Girl, you know I want your love
Your love was handmade for somebody
like me

Come on now, follow my lead
I may be crazy, don't mind me, say
Boy, let's not talk too much
Grab on my waist and put that body on
me

Come on now, follow my lead
Come—come on now, follow my lead

Chorus:

I'm in love with the shape of you
We push and pull like a magnet do
Although my heart is falling too
I'm in love with your body
And last night you were in my room
And now my bedsheets smell like you
Every day discovering something brand
new

Well I'm in love with your body
(Oh I) I'm in love with your body
(Oh I) I'm in love with your body
(Oh I) I'm in love with your body

Every day discovering something brand
new

I'm in love with the shape of you/

One week in we let the story begin
We're going out on our first date
But you and me are thrifty so go all you
can eat

Fill up your bag and I fill up a plate
We talk for hours and hours about the
sweet and the sour

And how your family is doin' okay
And leave and get in a taxi, we kiss in the
backseat

Tell the driver make the radio play, and
I'm singing like

Girl, you know I want your love
Your love was handmade for somebody
like me

Come on now, follow my lead
I may be crazy, don't mind me, say
Boy, let's not talk too much
Grab on my waist and put that body on
me

Come on now, follow my lead
Come—come on now, follow my lead

· Repeat the chorus ·

· Repeat the chorus ·

133 Thinking out loud

Ed Sheeran

When your legs don't work like they
used to before
And I can't sweep you off of your feet
Will your mouth still remember the
taste of my love
Will your eyes still smile from your
cheeks

And darling I will be loving you till we're
70

And baby my heart could still fall as
hard at 23

And I'm thinking bout how

People fall in love in mysterious ways
Maybe just the touch of hand
Well me I fall in love with you every
single day

And I just wanna tell you I am
So honey now..

Chorus:

Take me into your loving arms
Kiss me under the light of a thousand
stars

Place your head on my beating heart
I'm thinking out loud/

And maybe we found love right where
we are

And when my hair's all but gone and my
memory fades

And the crowds don't remember my
name

When my hands don't play the strings
the same way

I know you will still love me the same
Cause honey your soul could never grow
old it's evergreen

And baby your smile's forever in my
mind and memory

And I'm thinking bout how

People fall in love in mysterious ways
And maybe it's all part of plan
Well I'll just keep on making the same
mistake

Hoping that you'll understand
That baby now...

· Repeat the chorus ·

· Instrumental interlude ·

That baby we found love right where we
are

· Instrumental interlude ·

· Repeat the chorus ·

That maybe we found love right where
we are

Baby we found love right where we are

And we found love right where we are
